Counsel:

Pursuant to the Court's May 2, 2022 Pretrial Scheduling Order, I've attached Defendants' Objections to Plaintiffs' Initial Exhibit List and Defendants' Objections and Counter-Designations to Plaintiffs' Initial Deposition Designations. Highlighted mini-script transcripts containing Plaintiffs' initial designations and Defendants' counter-designations are available at:

<https://ftp.porterwright.com/>

UN: [REDACTED]

PW: [REDACTED]

In addition to the reservations of rights identified in the attachments, Defendants reserve the right to object on any grounds to the testimony or appearance of all witnesses identified on Plaintiffs' Initial Witness List.

Please note that in the initial exchanges, Plaintiffs exchanged a PDF containing designations for Robert Hodges, but did not provide a page/line list in the spreadsheet. Defendants created a list identifying the highlighted portions of the PDF, and provided objections and counter-designations based on those highlights. If Plaintiffs do not intend to call Mr. Hodges by designation or find fault with Defendants' list based on the PDF, please let us know, so we can adjust accordingly.

If you have any issues with the attachments or the FTP site, please contact me.

Thanks,
Allen
